Hey Bud! I just heard what happened - sorry to hear about that! I'm sure you're up to your eyeballs now - but I'm sure there will be good stories to hear about this down the road. Hang in there!

If you havent already, or aren't aware, this might be a good time to shoot Steve Way a note of encouragement. We all know he's as good as they come.

This could have happened to any of us.
